# How Tradenary Investment Generates Income

Is good to know that Tradenary Investment generates income and interest through self mining with ease of investors deposits. Tradenary Investment make use of Premium Bitmain Antminer S9i PRO along with other mining machines at “Tradenary-Mining-Farm” located at 115 Cadoc St, Augustine Heights, Queensland, QLD 4300 Australia.

The mining farm currently has a capacity of 50MW, having begun construction in 2015 for the initial 25MW farm. It is set to expand to 300MW in the future, which will make it the world's largest bitcoin mining farm.

## REFERRAL COMMISSION

*We have a structured affiliate program, to provide customers with an additional option to earn and profit from our company. In your account referrals section you will be able to find your affiliate link and share it with others. After other individuals use your affiliate link to register, they automatically becomes your referral. From this point on, with all deposits that they make, you will earn 10% from them, paid instantly to your account balance. You don't need an active deposit to earn 10% commission, and there are no affiliate fees applied - all you need to do is share our project with others and you will be rewarded*

## REPRESENTATIVES COMMISSION

*Representatives are awarded with twice as much referral commission, which is 20% of your referral's deposit. If you want to become a representative you have to support and promote our project in your region through any legal way possible.*
